SUMMARY

Resourceful and motivated University of Minnesota student with a strong background in computer tech that is learning to become a Full-Stack Web Developer.

SKILLS

- Ability to work under pressure
- Communication
- Decision-Making
- Time-Management
- Conflict Resolution
- Adaptability
- Computer Skills
- Active Listening
- I played lacrosse and Hockey throughout my youth which taught me plenty about working with a team, and working competitively.
- Music -I practice Guitar often

EXPERIENCE

In-Store Worker, Jimmy Johns, June 2015-August 2015
Bloomington, MN

- Supported Jimmy Johns in operational improvements and resolution of problems to deliver top-notch customer service

Volunteer Worker, Academy Of Holy Angels, September 2013-May 2016
Richfield, MN

Over the 4 years I attended The Academy of Holy Angels I participated in Service operations at various locations in MN. Some of the more prominent institutions that I often visited was Feed My Starving Children and Saint Vincent de Paul Thrift Store. Through doing this service I have gained a better understanding of myself, the needs of the community, and the root causes of important social concerns.

EDUCATION AND TRAINING
